Subject: AK OOOOa Planning - Hilcorp Milne Point
Attachments: Hilcorp AK_Multiple_Annual Report_03-2018.pdf

Hilcorp AK submitted the attached Annual Report in March 2018. It covers multiple facilities in Prudhoe Bay and the Kenai Peninsula.

At Milne Point they provide information for Units B Pad, C Pad, J Pad, K Pad, L Pad and S Pad. Well numbers are provided. They conducted fugitive emission observations at all of these Milne Point pad sites. No leaking components were placed on delay-of-repair.

Sincerely,
